

1. Read **Romans 7:15~25** / 2. What are your thoughts on living and sinning as a Christian? Why do you think Christians continue to sin even while living as children of God? With what kind of attitude should we live regarding human vulnerability to sin? / 3. How do you feel and react when you commit a sin? What is your way of repenting for your sins to God? Have you ever received a response from God after your prayer of repentance? / 4. Just as Paul confessed, do you know that Jesus Christ is the only one who can save you from sin? Do you believe that the message of the Gospel given by Jesus Christ not only saves you from sin but also enables you to live a life of victory over sin? / 5. Like Paul, we too must become Christians who lament and mourn our sins. Let us kneel and confess the sins we have committed before God, and please pray that the Holy Spirit will empower us to overcome future sins.
