

1. Read **Romans 8:1~13** / 2. Even as Christians, we still sin and live just like the people of the world. However, what makes Christians different from the people of the world? / 3. God has given us a promise that Christians will not be condemned even if they sin. This is made possible by the amazing grace God has given us. Yet why has this doctrine become a reason for people around the world to criticize Christians? What are your thoughts on that criticism? If anyone around you is experiencing conflict with others because of this doctrine, please reflect on the reasons why. / 4. If so, what kind of people can be considered true Christians? / 5. What does a life led by the Holy Spirit look like? / 6. Are you living a life led by the Spirit, or by the flesh? Please reflect on the things you can strive to do in order to live a life led by the Holy Spirit.
